## HOW I LIVE UNITED

“As a local DJ, I get to live Rock and Roll every day. I also love to play golf, cook and shop! And I want to give back to the community I work in. I have an opportunity every day to make people smile and maybe put their problems aside for a little while. I also get to bring attention to a lot of charities, which really makes my job fun.

I serve on our local volunteer center board. Because they reach out to so many nonprofits, I can touch more people through them than I could reach as an individual. Volunteering is so important; it’s what makes our community a great place to be.

If I can touch someone and make them smile, what a great moment that is in the day! **THAT’S HOW I LIVE UNITED.”**
