

# Looking to add **EXTRA CHEER** to your holiday office **CELEBRATION?**

The Volunteer Center of United Way of Western CT can help you enhance your year-end company celebration and help you ring in 2016 with a focus on community involvement, team collaboration and employee engagement.

We can work with you to create a meaningful full or half-day project in the community or on-site in your office. After completing your project, employees can continue on to your departmental luncheon or the company holiday dinner.

- ❄️ Choose a United Way impact area that aligns with your company's corporate responsibility goals:
  - Education, Income/Financial Stability, or Health**
- ❄️ The Volunteer Center will create a hands-on program in your desired focus area, including:
  - All project management and logistical planning
  - Arrangement and delivery of supplies
  - LIVE UNITED T-shirts
  - Promotion on social media channels and with local media outlets

Organize an event your team will be talking about for years to come! Let us help you engage your employees at a time of giving this holiday season.

For more information and fees associated with this project, please contact Stacy Schulman at 203-826-8479 or [stacy.schulman@uwwesternct.org](mailto:stacy.schulman@uwwesternct.org)
