LIVE UNITED®

Does your child want to play a sport, take an art class, enroll in music lessons, or something similar?

United Way's ALICE Enrichment Fund provides qualified families with assistance for out-of-school activities.

Research shows that children who participate in enrichment activities have improved levels of physical and mental health, and academic achievement. United Way of Western Connecticut's ALICE Enrichment Fund will provide families who fall within the **ALICE® (Asset Limited, Income Constrained, Employed)** income category* financial subsidies for their children to participate in extracurricular activities.
